Take Charge of Your Financial Future

A Seminar on Personal Finances

In the current economic environment in the United States, it is more important than ever to pay attention to personal finances. In the "Take Charge of Your Financial Future" seminar, your employees will be introduced to the basic components of a healthy financial life. Items covered will include:

- **It's a matter of perspective!**
 - How do I stack up?
 - How much is enough?
 - You might know a "rich" person if!
 - But I don't feel rich?

- **The American Culture**
 - You can have it all (**NOW!!!!!!**)
 - The **Marketing** of Lifestyle
 - Charge It!

- **The Principle of the Path**
 - Direction (not intention) Determines Destination
 - "A prudent person sees trouble coming and ducks; a simple person walks in blindly and is clobbered" Proverb

- **Now What? –Tell me what to do!**
 - Determine where you are!
 - Adjust your direction!
 - Pay Attention!
 - Stick with it!
 - Enjoy the ride!

- **Just between you and me**

The information is presented in a light, funny manner and your employees will be challenged to take whatever steps they need to begin to better control their financial habits.
